SHARE JESUS! DISCOVER HIS LIFE-CHANGING POWER

LIVES CHANGED BY MAN BORN IN BETHLEHEM! READ ALL ABOUT IT!

The man we call Jesus the Messiah came to earth 2,000 years ago to save sinners (Luke 19:10). Yet He was no ordinary man—He is superior to all who have ever lived. He is God.

When we receive the free gift of eternal life, God welcomes us into His family and begins to make us more like His Son Jesus. He has changed the lives of many people over the years, and those people have shared about their Savior with others.

God will change your life, too, when you become His child. As we grow up in God's family, we can learn about Jesus by reading and studying the Bible. **It's important that we share what we learn with others so they can receive the free gift of eternal life, too!**
